All good things come to an end! This morning at breakfast we bid you "Arrivederci" until next time, **but not so soon**, make the best of your trip and stay on for the weekend.

Having been teased with a small taste yesterday, we continue your Barossa experience for two more days. The Barossa is bursting with new discoveries and hidden gems; there's something for everyone to enjoy.

Select your choice of accommodation at The Novotel Barossa Valley Resort, a modern restful haven nestled among the vines.

We leave Glenelg circa 10.30 am and enjoy a leisurely drive to Seppeltsfield. This historic national treasure in the Barossa Valley was established in 1850 by Joseph and Johanna Seppelt.

Enjoy lunch at Fino Cellar, a stunning private dining space carved from the original 1800's bluestone wine holding tanks. After lunch, you have an opportunity for an amazing experience; to taste a port wine of your birth year, direct from the barrel, enjoying the history it contains.

Journey on after lunch with another surprise stop before arriving at your hotel around 4.00 pm. After checking in, perhaps treat yourself to the Endota Spa facilities or simply relax by the pool. Dinner tonight is poolside overlooking the scenic valley below.

Rally Extension Sunday, 21 October

Enjoy the all-inclusive buffet breakfast at your hotel. Your luxury coach will pick us up circa 9.45am for an enjoyable wine and food tour to a hand-picked selection of renowned wineries and cellar doors. Chateau Yaldara, Yalumba, Chateau Tanunda and Pindarie. Saltram Estate is our selection for lunch. Saltram has a celebrated tradition and heritage with the Barossa Valley, making flagship red wines of great style and taste. Many of Australia's most influential and celebrated winemakers have passed through the Saltram cellar doors throughout its 150-year history. After more than a century and a half, the winemaking excellence continues with Saltram still producing quality premium wines loved and admired by many within the Australian wine industry.

A visit to Maggie Beer is a must while in the Barossa. Maggie Beer needs no introduction, having co-hosted the ABC television cooking program "The Cook and the Chef" with renowned chef Simon Bryant, and appearing several times as a guest judge and guest masterclass presenter on "Master Chef Australia". We visit the farm shop, where you will have an opportunity to sample and purchase exquisite products such as pheasant farm pate, quince pate, verjuice, and gourmet ice-creams.

By this time your gastronomical taste buds would have been fully tantalized with excellent food and wines and you would be looking to take a well-deserved rest before preparing for our farewell dinner in the Novotel Restaurant tonight.
